

CARY PARK

COLOR SELECTION FORM

Revised June 2003

Builder / Homeowner Name _____ **Lot No.** _____
Plan Name _____ **Date Submitted** _____
Street Address _____

Color Selection Guidelines

Recommended color schemes have been prepared by the developer and are available in the Cary Park Sales Center for customer selection. A list of these color schemes is included in the Cary Park Architectural Guidelines (Guidelines). A color scheme must be selected and submitted to the Cary Park Architectural Review Board (ARB) for review and approval prior to painting house. In case of conflict with existing homes, another color choice may be required for ARB review and approval. Review the Cary Park permanent files and adjacent house colors for color coordination and prevention of color duplication prior to submittal. Color schemes outside of these recommended color schemes will be considered on a case-by-case basis and shall be submitted with color chip samples (minimum 1" square in size and larger samples may be required) for ARB review and approval. Colors should be submitted with the original house submittal to best assure your first choice selection. Note: Color selection approval based on a first-come first-serve basis. Garage doors shall be painted to match the trim or siding color as determined by the ARB to minimize the impact of the garage doors on the streetscape. Fences in side and rear yards may remain unfinished. However, fences in front yards and locations visible from street (i.e. side yard fences facing street, corner lot fences facing and visible from streets, etc.) shall be painted to match the house trim color or other accent color as determined by the ARB.

Color Scheme No. Proposal _____

Other Color Proposals (Color chips / samples attached):

Siding / Brick _____

Trim _____

Front Door _____

Garage Door _____

Shutters _____

Roof _____

Other (Shakes, fencing, etc.) _____
